EDUCATION VISITS TERM 2 2023

Whirinaki Whare Taonga is Upper Hutt's own art and culture hub. We are committed to offering FREE engaging and accessible visual and performing art experiences for local students and have a range of exciting world class programmes.

Message from the Learning Programmes Specialist

We at Whirinaki Whare Taonga are excited to open our doors once again to schools and welcome the hum of classes to come, for Term 2!

I would also like to take the opportunity to introduce myself as the New Learning Programmes Specialist, ready to work with you and your ākonga.

Ko Tammy tōku ingoa*

No reira, tēnā koutou, tēnā koutou, tēnā tatou katoa.

Kia ora tatou,

My name is Tammy Merriman and I have 11 years' experience teaching inside and outside the classroom, both here and abroad.

An advocate for place-based education and seizing the chance to supplement learning by taking it outside the classroom, I am looking forward to welcoming you to Whirinaki Whare Taonga in our collective effort to create life-long learners who are engaged and connected to their community.

What to expect in Term 2:

This term, we are asking our ākonga to be reflective of their experiences, while understanding those of others past and present and to look at how people influence places, as well as how places influence people.

These come from three exhibitions, Upper Hutt in Black and White, Inside the Curve: Stories from the Pandemic and The Women of Pumpkin Cottage.

Our big questions this term are:

- How do we move forward and still honour and reflect on the past?
- How do communities change and adapt?
- How do we become global citizens?
- How do collective experiences shape us as individuals and as communities?

Looking forward to connecting with you and welcoming you and your ākonga through our doors soon!

Ngā mihi, Tammy

INSIDE THE CURVE: STORIES FROM THE PANDEMIC

3 June to 27 August 2023

**Education Visits: 5 June – 30 June
(continues in Term 3)**

See the COVID-19 pandemic, around the world, through the eyes of National Geographic storytellers.

At the outset of the unprecedented COVID-19 pandemic, National Geographic responded by creating a new fund in support of journalists and storytellers worldwide. The resulting penetrating work of these photographers richly illustrates a myriad of aspects of a world in crisis, elevating deeply personal local stories and giving them global reach.

**Education Visit: Gallery Tour and Art Workshop.
1 Hour and 30 minutes.**

Suitable for Year 3 and up. FREE

Ākonga will explore COVID-19 internationally and locally, reflecting and relating this to their own experiences and journey through lock downs, mask-wearing and living in our bubbles.

Through viewing the exhibition, ākonga will explore the themes of resilience, connectedness and getting through hard times together and how communities are shaped through shared experiences, with curriculum links to visual arts and social studies.

- Share your experiences of Covid-19, while understanding the experiences of others.
- View and complete a gallery exercise tailored to your group.
- In our Creative Workshop, look at the role of masks during the COVID pandemic as both a way of slowing the spread, keeping us safe, but also creating social distance and barriers and how polarising masks have been in the present and past.
- Look at mask art generated both here and internationally.
- Create our own collective kākahu (cloak) that represents our experiences of Covid-19.

Education Visit: Gallery Tour and Art Workshop. 1 Hour and 30 minutes.

Ākonga will view paintings from women who pushed societal boundaries for the right to their own practice and in doing so reflect on the challenges that have been overcome to allow the freedoms we enjoy today.

With strong curriculum links to social studies, the New Zealand Aotearoa Histories Curriculum and visual arts, ākonga can gain an appreciation of Impressionism as an art form as well as a social movement here in Aotearoa.

- View our collection of art from Pumpkin Cottage.
- Explore the emergence of Impressionism, from its beginnings in Paris in the 1860s.
- Learn about the women of Pumpkin Cottage, who broke traditional norms to paint and explore the life and roles of women in Aotearoa during this transformative period of time.
